**FROG LAKE GRADUAND** Felicia Moyah has a big hug and a bouquet of roses for her dad at last Thursday's graduation celebration at Chief Napeweaw Comprehensive School.

## Chief Napeweaw School celebrates the Class of 2003

A very proud community joined in last Thursday's celebrations for the nine graduands who make up the Class of 2003 at Frog Lake's Chief Napeweaw Comprehensive School.

Master of ceremonies Roland Quinney said it means "success and happiness" for the parents to see their children graduate from Grade 12. "Education is a high priority" at Frog Lake First Nations, because "if we don't have that, we will be lost." He urged all present to "always encourage the young people to get an education."

The Class of 2003 and their escorts entered the red-and-white -canopied gym through one of three red and white balloon arches as countless cameras flashed, and took their places on stage. Following an opening prayer by elders Bill Peyachew and Louis Paul, Mr. Brian Clark introduced graduands Levi Stanley, Michael Waskahat, Kelly Horse, Felicia Moyah, Sue Ellen Wade, Kendra Saddleback, Tyrel "TC" Quinney, Ryan Keating and Eric Faithful, telling a little about each student and their ambitions. The Big Bear Singers saluted the grads with an honor song.

Chief Raymond Quinney addressed the

crowd in both Cree and English, and joked that it was "good to see more men graduate this year," referring back to last year when the ladies were in the majority. "It took many people to get these people to where they are today," he said, offering thanks to the Creator for good health and the will to persevere and to the parents and grandparents for their encouragement and love. "Knowledge is no good to you if you keep it to yourself", he told the grads, urging them to "pass it on to the young people."

"In the real world, with education we are no different than anyone," Chief Quinney continued. "You have given strength to our nation." He encouraged the grads to seek further education in professions and trades, so Frog Lake will not have to continue to import these skills from outside their own area.

Lynn Stanley from the Education Board of Directors said the Board is "proud to honor you for your achievements." She asked each to "reach out and embrace life and all it offers... go out and achieve your aspirations." As the Grade 5 teacher of a majority of the grads, "I am so proud of this class. I commend them - it takes a lot of determination."

(Continued on Page 6)

## Town Council sets 2003 mill rates

Elk Point Town Council kept their mill rate increase under half a mill, as they set the 2003 rate at their June 9 meeting. A small decrease in Alberta School Foundation Fund levy and a slight increase in the total assessment helped Council hold the line, despite increasing their General Contingency Capital Reserve levy by .984 mill to an even 3.000 mills and upping the Ambulance Service Reserve from .186 to .296 mills.

The increases will enable the Town to do necessary street maintenance, purchase the new playground equipment, pave the outdoor skating rink, upgrade a second ball diamond and construct a shower/storage building at the Recreation Park, as well as to purchase the new Town fire truck without borrowing money.

Residential and farm land mill rates and non-residential improvements and linear mill rates both increased by .457 mill, residential and farm land from 15.787 to 16.244 and non-residential improvements and linear from 27.281 to 27.738. Apartment and fourplexes mill rate climbed .461 mill, from 30.276 to 30.737, while non-residential vacant mill rate went up .355 mill from 29.982 to 30.337 mills.

Alberta School Foundation Fund levies decreased by .259 mills for residential, farm land, apartments and fourplexes, from 5.615 to 5.356, but only dropped .037 mills for both categories of non-residential and linear properties, from 8.194 to 8.157 mills.

The 2003 mill rate bylaw was given all three readings at the meeting.

Looking ahead to future projects, Council voted in favor of applying for a \$45.70 per capita grant for street improvement, which will be set aside until sufficient reserves are in place to install curb and gutter on 56A Avenue. Upgrading roads in the industrial area will be the next priority, although Council doubts they will ever be able to afford the \$1.6 million needed to completely revamp roads in that area.

After reviewing the support other chambers of commerce in the area receive from their municipalities, Council agreed to increase their support to Elk Point Chamber by \$1000 to help offset increasing operating costs for the Tourist Information Centre and other Chamber programs.

Council also agreed to donate their customary \$100 to F. G. Miller High School's Above the Limit program, and to fund new mini soccer goal posts from general capital reserves.

Approval was also given to the Canada Day Committee for their parade route.

Elk Point's FCSS Board is looking for new members, as some members are retiring and others' terms coming to an end. Anyone interested in becoming part of the board may contact the Town office or the FCSS Office for information.

## Elk Point saluting farming heritage on Canada Day

"A Salute to Our Farming Heritage" is the theme of this year's Canada Day celebrations in Elk Point, and the theme will be featured for added prize money in the Canada Day Parade. Antique tractor and machinery buffs are invited to bring along their collectibles for the tour of the parade route. After the parade, the antiques will be displayed north of the Canada Day Stage, and any interested tractor owners are invited to participate in a "slow tractor race" north of the A. G. Ross Arena.

Other parade categories include Adult Clubs and Organizations, Youth Clubs and Organizations, Business, and Special Interest. This last category includes horses and riders, antique cars and individual entries.

Due to the construction of the outdoor rink, the marshalling area for the parade has been moved to the field north of the apartment blocks on 51 Street. The parade will start lining up at 10:00 a.m. ready for judging at 10:30 a.m., and

# community NEWS

## Failing to yield at crosswalks now very costly to drivers

By Sgt. Lyle Marianchuk  
Elk Point RCMP wishes to advise all

drivers that it is the law for all drivers to yield and stop for pedestrians at all crosswalks. This means that traffic in both directions must stop and wait until the pedestrian has completely crossed the roadway.

A driver failing to yield to a pedestrian who is in the process of crossing a roadway is subject to a fine of \$575 and four demerit points under the new Traffic Safety Act, up from \$67 under the old Highway Traffic Act.

With the start of the warm weather and the

increase in pedestrian traffic, the Elk Point RCMP are urging all drivers to be extra careful.

*Off-highway vehicle operators urged to stay off private property*

Quad and dirt bike operators are reminded that it is against the law to enter onto private property that has "no trespassing" signs. Complaints have been received from landowners who have had off-highway vehicles drive over their new crops. Those operators observed on private property without permission or on property with "no trespassing" signs could face \$100 fines and if they cause damage to a crop, could face criminal charges.

*Ring found*

On or about May 28, 2003, a man's ring was found in the area of Markstad Park in Elk Point. If you have lost such a ring, please contact the Elk Point RCMP at 724-3964. After business hours, please leave your name and phone number. Be prepared to provide a detailed description of the ring.

## Saluting farming

(Continued from Page 1)

will head out down the parade route at 11:00 a.m., preceded at 10:45 by the decorated bicycles, which will form up in front of the arena.

Proceeding from the new marshalling area, the parade will turn east onto 54 Avenue and will follow the same route as last year, going south on 50 Street to 49 Avenue and then turning west.

The farming heritage theme will also be part of the afternoon stage show, with everyone invited to dress in their farmyard finest for a "best dressed" contest. The stage show goes at 2:00 p.m. on the Canada Day Stage (in the A. G. Ross Arena if it rains), and will feature country recording star Lisa Hewitt, fiddler Mike McGee and other entertainers.

## NOTICE

### Town of Elk Point Taxpayers

#### PREPARATION OF COMBINED ASSESSMENT / TAX NOTICES

Notice is hereby given that the 2003 Combined Assessment and Tax Notices have been prepared and mailed June 16, 2003 to all taxpayers.

The Assessment Roll will be open for inspection at the office of the municipality during business hours, and that any person who desires to object to the entry of his/her name or that of any other person upon the said roll or to the assessed value placed upon any property must within (30) days from the date of the combined assessment / tax notice, lodge his/her complaint in writing to the municipality, accompanied by the appropriate filing fees.

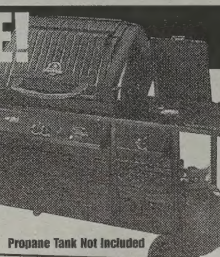

Myron J. Goyan, Town Manager

community **NEWS**

**YEAR-END AWARDS** were presented to three deserving 4-H members at Sunday's windup. Left to right are Bruce Smith Memorial award winner Shaun Robinson, Beef Project leader Donna Ockerman, Spirit of 4-H award winner Matthew Robinson, Terry Holmgren award winner Tyson Ockerman and award-donor Terry Holmgren. Mrs. Ockerman said "everyone had a lot of good things to say about all of the members. It was very close. All the members did a wonderful job this year."

One sponsor was inadvertently omitted from the list of donors to the Children's Health Foundation fundraiser at ATB Financial. Thanks to E-Can Oilfield Services for their generous support.

## Elk Point Elementary Open House

June 25/03 • 9:30 am - 3:00 pm

In honor of  
Mr. Don Conrad's Retirement,  
Elk Point Elementary School  
is hosting an open house to  
celebrate his 33 years of  
dedicated service in the field  
of education.

## Year-end windup for 4-Hers

Elk Point 4-H Multi Club held their year-end windup party at Whitney Lake United Church Camp on Sunday, with the year's final awards handed out along with all the newly engraved trophies.

Each Achievement Day award winner received a plaque as a permanent souvenir of their win, complete with a picture of the member, their project animal(s) and their trophy.

Gail Havener continued the club's tradition by presenting four retiring members with their stall cloverleaves.

Nichole Havener and Danielle Schnurer were on hand to accept, while Donna Zapesocki and Patsy Wirsta accepted for their daughters Amanda and Jaylynn.

Three 4-Hers received awards honoring their commitment to 4-H and for best exemplifying the traits which make up the 'spirit of 4-H'. Shaun Robinson accepted the Bruce Smith Memorial award, Matthew Robinson the Spirit of 4-H award, and Tyson Ockerman the Terry Holmgren award.

## RE/MAX<sup>®</sup> LAKELAND REALTY

Elk Point, AB  
Ph: 780-724-3781  
Glenn Harms, Shirley Harms, Lorne Taylor (Smoky Lake)

Students learn all about wool

Mrs. Conrad's Grade 2 class enjoyed learning about where wool comes from recently. Karen Langejans showed off her spinning skills, while Jim Orr (not shown) sheared the sheep.

## ■ Letter to the Editor

### Another excellent event

Dear Editor:

On behalf of STARS, I would like to thank the organizing committee of the Elk Point Emergency Services Golf Tournament for their continuing support of STARS. The fourth annual tournament, held June 4, was another excellent event. Elk Point and surrounding communities have been outstanding supporters of STARS through this event.

The support of the community is the cornerstone of STARS' mission to provide excellence in specialized, rapid aeromedical care and transport for the critically ill and injured. We are tremendously grateful for the commitment, support and partnership we share.

Since 1985, STARS has flown more than 10,000 missions, working closely with our partners in the Chain of Survival. STARS is a non-profit charitable organization. Our funding needs are met through significant private donations received from individuals, community groups, service clubs, businesses and corporations, and through our relationship with Alberta Health and Wellness.

Thank you again to all the volunteers, committee members, participants and the surrounding communities for your much-appreciated contribution towards STARS mission and commitment to life.

Sincerely,  
Barry Knapp  
Fund Development Officer  
Alberta Shock Trauma Air Rescue  
Service Foundation (STARS)

## Aspen marks Rural Health Week

*Rural Health care has become a dynamic, innovative environment that is staffed by dedicated professionals who are committed to delivering high-quality services.*

Thousands of health care workers will celebrated the second annual Alberta Rural Health Week from June 16 to 22. This special week, facilitated by the Alberta Rural Physician Action Plan (RPAP), is the result of the collaboration of 30 groups representing many provincial and regional rural health interests. The annual event gives community partners an opportunity to talk about the challenges of rural health service delivery and showcases the positive contributions of rural health professionals and organizations.

Rural health service delivery faces some unique challenges not seen in urban areas - large geographic distances, the ease of access to specialty services, and issues related to recruitment and retention of rural health workers. And just as Alberta's health system is evolving, so too is rural health practice as it responds and finds new ways to embrace emerging technologies, improve medical prac-

tices and enhance the skills of rural health professionals.

According to the 2001 census, about 925,000 or 31% of Alberta's total population of 2,974,807 is rural based. Statistics Canada defines rural as being the population living in towns and municipalities outside the commuting zone of larger urban centres with a population of 10,000 or more. Good quality emergency care, routine obstetric care, chronic illness care and follow up of illnesses treated in tertiary care centres are important services for rural Albertans to have available locally, but it is the personal care only found in small town facilities that makes rural health care so distinctive.

The range of health care services available in rural Alberta is constantly expanding. Here are some of the special services available in the Aspen Region:

### Telehealth

Aspen Health is bridging distance between rural communities with its extensive use of telehealth services throughout the region. The high-tech video and audio equipment gives the region the capability of transmitting voice, video and data in real time within the region, the province and the world. It is used in a variety of ways,

including consultations, diagnostics, education and research.

### Renal Dialysis

In partnership with the University of Alberta Hospital, Aspen now has satellite renal dialysis units located in St. Paul and Westlock. The treatment, which is vital for people in the later stages of kidney failure, cleans the blood and removes toxins and excess water from the body. By offering the service in local communities, many Aspen patients can have the life-saving treatment in a location closer to home. Their lives are no longer disrupted by two or three trips to the city each week for the treatment.

### Health Link Alberta

Aspen officially launched Health Link Alberta on May 22. The 24-hour, toll-free telephone service gives people instant access to professional medical advice, as well as information about health programs, services and facilities in their community. Health Link Alberta is staffed by experienced registered nurses. It offers confidential advice and information about common health concerns, as well as information about local health programs and facilities.

## Let's celebrate Canada

Yes, and a big YES, let us celebrate Canada! Let us take advantage of the time and place to celebrate Canada. We began on July 1, 1867 - Our first Dominion Day. Sir John A. MacDonald would become Canada's first Prime Minister. The British North America Act would see the Union of Canada (Upper and Lower) combined with Nova Scotia (New Scotland) and New Brunswick to form a dominion. With the creation of this new dominion would be four separate provinces - Ontario, Quebec, Nova Scotia and New Brunswick. The growth of Canada increased with Manitoba (1870), British Columbia (1871), Prince Edward Island (1873), Northwest Territories (1880) (now NWT and Nunavut), Yukon Territory (1898), Alberta (1905), Saskatchewan (1905) and Newfoundland (1949). All of this land is a span of approximately four million square miles. And the people in each of these provinces joined our First People and came from all the nations of the world - thus we are proud to say we are multicultural. In 1879 Parliament created a statute proclaiming July 1 as a national day of celebration of the birth of a new nation. It was not until October 27, 1982 that Dominion Day would cease to exist and Canada Day would be born.

With this history in mind of how Canada came to be, I am sure we all have our special way of celebrating Canada on July 1. Let me, on behalf of the Elk Point Canada Day Celebrations Committee, give a special invitation to all the people in and around our community to celebrate Canada Day in our town of Elk Point. In regard to the details of all the events, we will inform you in several ways. We will have information in next week's Elk Point Review and St. Paul Journal, we will be placing a flyer in Elk Point mailboxes, and we will be asking the radio stations to talk about our events on their "Community Calendars."

Now listen, everyone! We have some new events this year. We would like to celebrate Canada and we would like to celebrate around our Elk Point Canada Day Celebrations 2003 theme. What is our theme for Elk Point? Our theme is: "SALUTE TO OUR FARMING HERITAGE". Our farmers were the first people to break the land and begin producing the food we eat. We say Thank You! To acknowledge and remember our farmers, we have invited any farmers in our area to bring their old-time tractors or any machinery (combines, etc.) and to enter our parade. Lineup

starts at 10:00 a.m. at the new location north of the north hill apartments, judging is at 10:30 a.m. and the parade starts at 11:00 a.m. Then after the parade, all of these tractor and machinery entries will be displayed in the grass field area north of the A. G. Ross Arena. But guess what? Whoever is interested is invited to enter an Old Time Slow Tractor Race. Let us all come out to watch this great race after the parade.

It doesn't stop there. We are holding two contests. The first contest is a "Best Dressed For Farming" contest. All of those people who are interested in dressing the farming part are invited to enter this contest, which will be part of the afternoon stage show, which begins at 2 p.m. Show up in your 'farmer' finery and let our sharp-eyed judges decide the winners. The second contest is for those people who beautify their house and garden, promoting and showing their pride in our country of Canada by displaying our Canadian flag, etc. If you are interested in entering this contest, please mail your address to Deanna at Box 340, Elk Point, phone 724-3800 or fax your entry to 724-4303 by 3 p.m. on June 27. Prizes will be awarded in both categories, so let us hear from you.

# rural health WEEK

## Health care is alive and thriving in Elk Point

Elk Point may be down to one doctor for the present time, but health care is alive, well and ongoing in the community.

"Health care is more than having a heart attack and getting revived," Mona McGinnis, a public health nurse for the past 22 years who works out of the Elk Point Health Centre, told last week's Elk Point Interagency Health Committee meeting. "Every day, something happens in this community that has to do with health." The list of events her department has been involved in since the IHC's last meeting outlined some of these health promotion activities, including Safe Kids Week, where unsafe children's equipment was collected and destroyed, World No Tobacco Day, where the three local restaurants involved talked favorably about being smoke-free, and last week's Seniors' Wellness Day, with knowledgeable speakers from the area and

entertainment which reinforced their messages.

"A lot of things are done preventatively... from smooth sidewalks to feeding babies well and keeping them healthy. Sometimes you have to look outside the doctor's office," she continued.

### Elk Point Health Centre offers:

- ✓ 24-hour Emergency department
- ✓ 10 acute care beds
- ✓ 30 continuing care beds, including one respite care bed
- ✓ diagnostic imaging services
- ✓ rehabilitation services
- ✓ clinical nutrition services
- ✓ pharmacy services
- ✓ laboratory services
- ✓ one acute care bed designated for palliative care as required.

Nurse manager Val Sebree had progress to report in the Health Centre, where "staffing

levels look adequate" and job postings are going out for an acute care head nurse, which will allow Marguerite Friesen, who has been head nurse in both acute and extended care for a period to time, to go back to her original position as Parkview's head nurse. The Health Centre is also looking for a pharmacist to cover a maternity leave. Dr. Sandy Koe's work at the hospital ended June 2, although she was still doing some follow-up and winding down operations in her clinic last week.

Interagency chair Margaret Modin emphasized that Elk Point's doctor recruitment committee's efforts are ongoing, locums have been scheduled to assist Dr. Drew Ramful, and the recruitment committee will be meeting with the Aspen Regional Health Authority on June 26. "Definitely, the possibilities are there" to have at least one more doctor serving the community in the near future, she noted.

## RURAL PHYSICIANS

— at the heart of your community

Physicians are the cornerstone of rural health care — providing office, home, hospital, community and emergency medical care. Rural physicians are employers, local consumers, volunteers, community supporters — and your neighbors.

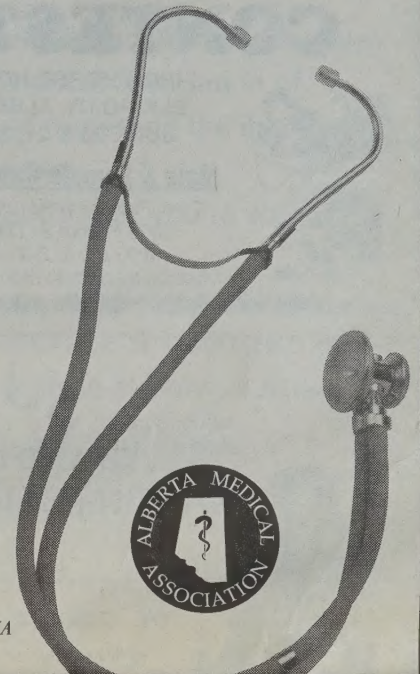

When a rural physician needs time off for vacation or continuing education, the Rural Locum Program may provide a replacement physician. Your doctor can then take time off with the comfort of knowing you are looked after while he or she is away.

During **RURAL HEALTH WEEK, June 16 - 22**, take a moment to let your physicians know that you value their contributions — to your health and to your community.

Alberta Medical Association

AMA Section of Rural Medicine

Rural Locum Program, administered by the AMA

## ASPEN REGIONAL HEALTH AUTHORITY Celebrates rural health week

The Aspen Regional Health Authority is located in the heart of Alberta and is the governing body of the hospitals, health units, and mental health offices. Aspen serves more than 175,000 residents in 118 communities. Aspen's regional boundaries span a geographic area that stretches from the cottage country of Cold Lake in the east to the beautiful forests of Wabasca/Desmarais in the north, to the majesty of Jasper National Park in the west and just beyond our bedroom communities around the capital city.

## Chief Napeweaw Class of 2003

(Continued from Front Page)

Principal George Stone said the school's objective for the past school year was to provide a safe, caring and positive school atmosphere with a focus of education. Their motto was respect, and the

**GRADUAND SUE ELLEN WADE** offered a toast to the parents.

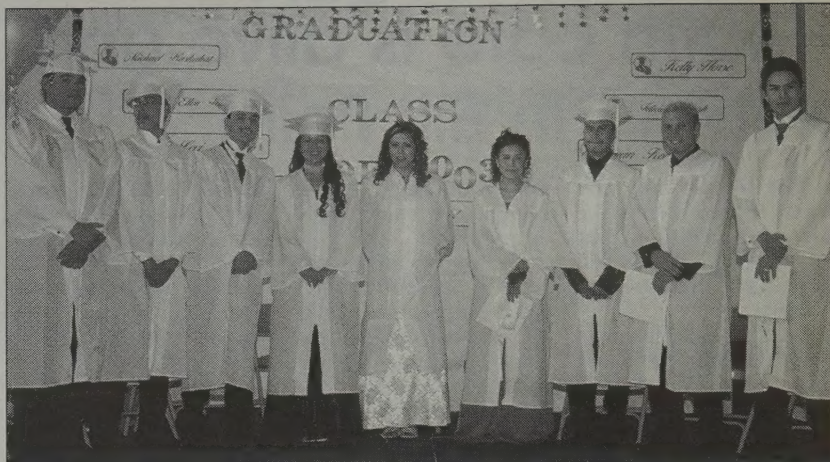

push was to promote self-respect. "Our aim was to graduate as many students as academically possible."

Stone offered a quote he had come across, "Do well, for you are the future of our people". Indeed, they are the future of our people and this community."

He thanked parents, guardians, community members, Director of Education Glenda Bristow, the school board, teaching staff, Chief and Council, "and particularly the students for choosing to follow our new path of excellence this year... I am very proud of our collective accomplishments."

Chief Quinney, Council and Board of Education lined up to present flowers and gifts to each grad, with the grads passing on the flowers to their proud parents. Another honour song by the Big Bear Singers brought the first portion of the program to an end.

Following the banquet and a song by Marmie Quinney, Bristow came forward to tell the grads, "you make us proud. This is what hard work and education will do for you." Now the book of their school days is com-

## AWARD of DISTINCTION

**ANNOUNCING  
Dr. David P. Miller**

of Beaverlodge, recipient of  
the 2003 Alberta Rural Physician  
'Award of Distinction'

Dr. Miller was selected to receive the 2003 award based on his well-rounded contributions to rural medicine and his noteworthy contribution to teaching and the Beaverlodge community.

This award is presented annually to a family physician who lives and has worked for the last four years in a rural community and who shows a superior commitment to the community through medical practice, teaching other health professionals, conducting research, or volunteer efforts.

## BOARD MEMBERS REQUIRED

The Town of Elk Point is currently seeking enthusiastic individuals, with a keen interest to fill vacancies which currently exist on the Family & Community Support Services Board.

Individuals appointed would find serving on this board a pleasure.

Applications must be submitted in writing to the Town Office, indicating the applicant's consent to act in the capacity of a board member before an appointment will be made.

Application will be received until positions are filled. For more information call the Town Office at 724-3810. Dated in Elk Point this 11th day of June, 2003.

## Sox shut down Cold Lake Cardinals two games straight

By Doug Bassett

Review Sports

Cold Lake has the air base, the marina, a Wal-Mart and the Ivan Krook Ball Diamond. Years of history here played here dating back to the fifties. The Sox had some history too, some real good battles five or six years ago.

Tuesday night the Sox traveled to Cold Lake looking for some redemption and shut down the Cardinals 10 to 0. Mark Letestu was on the mound and on target, firing fastballs like bullets, chopping down batters, with 10 K's on the night, going a complete game allowing only two hits, and no runs scored against. Another notch on the gun of the "marksman".

Nicky Myshaniuk at short stop with some great fielding, scooped up three hot grounders, making the perfect throws to first, tagging a player stealing at second base, and catching a long pop fly that should have been gone.

Thursday night the Cardinals did a return trip to Bassett Field. Isaac Peters getting the call to start on the hill, had his best game of the season, "sent" seven Cardinals to the dugout swinging, but it turned into a much tighter

game, because the Sox bats were swinging too, and the Cardinals had a four run lead going into the sixth inning before the Sox could get anyone on base.

Leading off the bottom of the sixth Joel Leckie finally getting on base on an error, Lee Letestu with a nice single, Isaac Peters with a single, and then Chris

Looy with a big three bagger bringing home the boys. And it didn't stop there, two more

scored, the final 5 to 4 for the Sox.

The Sox finished the regular season with a

very respectable 10 wins and 4 losses, and

(Continued on Page 8)

## ~ THIS WEEK'S LISTINGS ~

## GREAT STARTER HOMES ..... AT GREAT PRICES!!!

1. 4821 - 52 Street - 1-1/2 storey home with 3 bdrms in quiet section of town. Needs a little TLC but loads of potential. 16 x 24 garage with a 16 x 34 addition which makes for a great greenhouse. Large garden spot in back. Fridge, dishwasher, washer & dryer remain.

## Two wins for Sox

(Continued from Page 7)

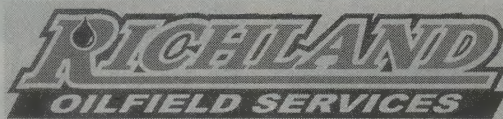

could have played this past weekend in the league finals, but team management opted to take the weekend off, exam time is here.

Coming up this weekend the Sox will be starting their first of three weekends of round robins to qualify for the provincial final.

As you all know, the provincial final, will be held right here on July 18th. 19th and 20th. The top eight teams in the province will qualify after the round robins, and the Sox as the host

will automatically be in the final, but they want prove that they deserve to be there!

And now for the K. A. Campbell's quote of the week. "A hotdog at the ballpark is better than a steak at the Ritz" Last week's answer to: "You can learn little from victory. You can learn everything from defeat." Christy Mathewson.

## Spotlight on soccer

By Tracy Kjenner  
Review Contributor

Top scorers in the U12 team are continuing with their streaks. May 21 saw a 3-2 win over Myrnam at home. Midfield players Kaitlyn Roberts, Kole Boyko, Josh Gadowski and Sarah Proskiw have been doing a great job of keeping the ball in the scoring area. Though the team lost 2 - 1 to Medley on May 28, it is important to note that Amber Babcock, Jonathan Suvak, Scott Labrie and Kyle Pelletier played their defense positions very well, the goalie played a strong game and Jordan Mudryk scored the goal.

No actual scores for the U14 team are being reported but team manager Lynne Boyko stated proudly that the players were very committed to their games and are a determined bunch. Playing hard to the finish of each of their games are Alex Buck, Timmy Quinney, Allan MacDonald, Matthew Boyko, Emily Mosley, Eric Mosley, Randy Merkel, Natasha Scott, Zoey Kinjerski, Ian Jurak, Warren Jurak, Kent Boyko, Bryant Schnurer, Garrett Duffee, Colin Breen and Adam Zapesocki.

U8A team enjoyed three games against various Cold Lake teams during the Cold Lake FunFest on June 18. The team worked hard and players were able to try out different

positions in the games. Midfield players have been trying very hard to stay with their opponents and keep the ball going toward the other team's net. Defense players have been practicing their skills in protecting their net and the goaltender, each time, has put every effort forward to avoid allowing the ball in. Great job!

Basically, only one week remains for our soccer season. Practices and games are held Mondays and Wednesdays at the Recreation Area of the Golf Course at 6:00 p.m. and 6:30 p.m. respectively. Come and watch the players practice their skills!

U6, U8 and U10 coaches and/or managers are asked to provide team profiles for next week's edition. Please submit any team information to Tracy Kjenner prior to Thursday, June 19. Thanks for your cooperation!

## 4-H Light Horse Achievement Day

Members of Elk Point 4-H Multi Club's Light Horse project couldn't have asked for a better afternoon for their Achievement Day last Friday. Bright sun shone down on the

event, held in an outdoor arena at the Schnurer ranch south of Elk Point.

A small crowd of relatives and friends were on hand as show judge Jennifer Bugeja and

Light Horse leader Daphne Schnurer put the girls through their paces in a program of showmanship, grooming, judging, Western Pleasure, Western Equitation, Trail, barrel racing and games, to determine the members' progress over the past year.

Prizes sponsored by Prime Oilfield Service, St. Paul Seed Cleaning Plant and Feedrite went to all four members. Special thanks went to Shamrock Valley Enterprises, who worked and groomed the arena in preparation for the show.

**ALL SACKED OUT** after a hard afternoon in the saddle as they put their horses through their paces, 4-Hers (back, left to right) Jessica Wirsta, Amanda Zapesocki, (front, left to right) Michelle Zapesocki and Chelsea Schnurer rest on their laurels, or at least on the sacks of feed which were part of their awards. They also received lead ropes and halters.

# Elk Point 4-H Multi Club wrapping up a busy year

By **Tyson Ockerman**  
Club Reporter

Hello once again from the Elk Point 4-H Multi Club. Well, the past few months have been very busy for our leaders and members. Here is an update on what has been happening.

■ On March 16, 2003 at the Beef Project Meeting, we had Dr. Craig Hellquist from the St. Paul Vet Clinic as a guest speaker. He gave a very informative talk on diseases in cattle.

■ March 22, 2003 we had a Family Curling Day at the curling rink in Elk Point.

■ The Foods and Crafts Projects held their Achievement Day on April 13, 2003 at the Elk Point Further Ed building.

■ April 27, 2003 was Mini Achievement Day for the Steer and Heifer projects, held at the C. G. Baker Memorial Arena. We had a grooming demonstration by Kevin Wirsta and Jaylynn Wirsta and

Danielle Schnurer gave a showmanship demonstration.

■ May 2 to 5, 2003 at 4-H Selections in Olds, Danielle Schnurer of the Elk Point 4-H Multi Club was chosen as the Premier's Award Winner for 2003. Congratulations, Danielle, from our whole club. We are all very proud of you.

■ May 3 and May 10, 2003 were Highway Cleanup Days. Our members cleaned the ditches going into the Stoney Lake Campground, the campground at the river, and the paved part of the Moose Hills Road.

■ On May 13, 2003 the Steer Project members went out canvassing to the businesses of Elk Point for buyers for their 17 calves.

■ May 27, 2003 was the day that our newest project officially began. Our club now has a Poultry Project. We have four members involved in this project, and the leader is Cathy Ockerman.

■ May 30, 2003 was a busy day getting everything set up for the Beef and Small Engines Achievement Day.

■ May 31 was our Achievement Day, held at the C. G. Baker Memorial Arena. Everything went smoothly, except one member got hurt and had to be transported to the Elk

Point Health Centre by ambulance. We were all very happy when the member, although very badly bruised and on crutches, returned to the show.

■ June 2, 2003 was the District Show and Sale in St. Paul. Our club members did very well, bringing home the following trophies:

**ELK POINT 4-H MEMBERS** Marvin and Robyn Ockerman and their mother, Beef Project assistant leader Cathy Ockerman, presented the \$7800 proceeds from the S.T.A.R.S. calf which their family raised and which was raffled by St. Paul District 4-H clubs, to Barry Knapp (right) and Andre Rioux of S.T.A.R.S. Many thanks to all who supported the 4-Hers efforts by purchasing tickets on the steer from 4-H members and leaders in the St. Paul Region.

Grand Champion - Nichole Havener; 1st Team Judging - team members were Danielle Wruth, Nichole Havener, Marvin Ockerman, Matthew Robinson, Tyson Ockerman and Janice Tymofichuk; 1st Sr. Judging - Amanda Zapesocki; 2nd Pen of Five; Junior Grooming - Jessica Wirsta 1st, Robyn Ockerman 2nd; Senior Grooming - Danielle Schnurer 1st, Nichole Havener 2nd; 1st Junior Showmanship - Robyn Ockerman; 2nd Intermediate Showmanship - Marvin Ockerman; and Senior Showmanship - Shaun Robinson 1st, Danielle Schnurer, 2nd. The sale of the steers went very well.

■ On June 8, 2003 the Invitational Heifer Show was held in Goodridge. Some of the Elk Point members attended.

■ We had our Year End meeting and party on June 15 at Whitney Lake. This year has really flown by quickly.

We would like to thank everyone who has supported us over the past year. Your continued support really means a lot to our club.

A big Thank You goes out to all of the club leaders, for without your guidance, patience and hard work, our club would not be the same. And also, thank you to all of the volunteers that have helped us out over the past year, we couldn't have had all of the successes that we did this year without you. And to Vicki Brooker and the Elk Point Review, thank you once again for the excellent coverage that you have given our club.

Well, that's it for this club reporter for this year. Have a great summer, everyone.
